Hon. Commissioner Ind. Affairs,

Washington, D. C.

to report to you that I have completed the work entrusted to me, of making a statistical enumeration of all the people upon the Great Sioux Reservation. It is a work, in its very nature, not only tedious, but arduous. It is not only disagreeable, but obnoxious. It is not alone privations, but actual suffering in this climate of extremes, that one who performs the work has to endure. I have passed through a work, which I never thought would fall to my lot. How well the work has been performed, my report will speak for itself:

Every effort will be made to get several reports ready to mail by Friday, (the 4th). As soon as that is done, I will leave here, for my home, Columbus, Kansas, from which place I will
